

# Routes to Medicine Information Session for Parents

Is your child interested in going into medicine or dentistry, but you aren't quite sure how to help them?

**Come join our information session!**

Cwm Taf Morgannwg UHB are looking to host an online information session for parents with children in Year 10+ looking to go into medicine or dentistry.

Our head of Widening Access Dr Philip Evans & Dr Thomas Grother (GP) will discuss topics relating to medicine school

Some topics discussed in the information session are:

- Why go to university?
  - Careers advice
  - Selecting a medical school
  - Application process
  - Admissions process
  - Preparing for university
-
